No. It's a renewal with an expansion but they support. We got their approval last year and just never activated the block because we did not have a great partner to take responsibility.

Thank you

Chief Bob,

Do you think you guys will lend your support? The event June 5th was a huge success for the neighborhood and brought a lot of positive experiences down 5th for both residents and visitors. It was a trial run of sorts. Traffic was diverted down Main to 3rd rather than the awkward left turn onto Spring. I think it feels safer for the ped traffic. We would only need the additional block once per month for now, but possibly every Sunday if it is successful.

I sent an email with all the details per your request while you were on vacation and am just following up on it.

Talk soon!
